

2018 WINDY CITY PULP AND PAPER CONVENTION

ESTATE AUCTIONS – 2 SESSIONS

1ST SESSION - FRIDAY NIGHT – APRIL 6

2ND SESSION – SATURDAY NIGHT – APRIL 7

GENERAL INFORMATION

This year we will have two sessions of material from two different estates, as well as material from other consignors.

The Friday night session comes from the estate of Glenn Lord, literary executor for the Estate of Robert E. Howard for many decades. The Saturday night session begins with material from long-time collector and dealer Ron Killian (whose material made up the bulk of our auctions last year), before moving on to material from other consignors.

This catalog is broken into two sections. The first details the material for the Friday session. The second section lists the material from the Saturday session. The Saturday session will be followed by the usual Saturday night auction material that convention attendees put up for auction.

Each night's session will start at approximately 8:15 p.m.

The convention has not graded these items (although we have tried to note missing covers [nfc = no front cover & nbc = no back cover]) and encourages all bidders to review their condition before placing bids, as ALL SALES ARE FINAL.

There will be a buyer's premium of 10% added to the amount of each winning bid. We can take payment by cash, check, credit card or paypal, but credit card and paypal will have a 5% surcharge. Additional auction rules are available separately.
