

WINDY CITY PULP AND PAPER CONVENTION

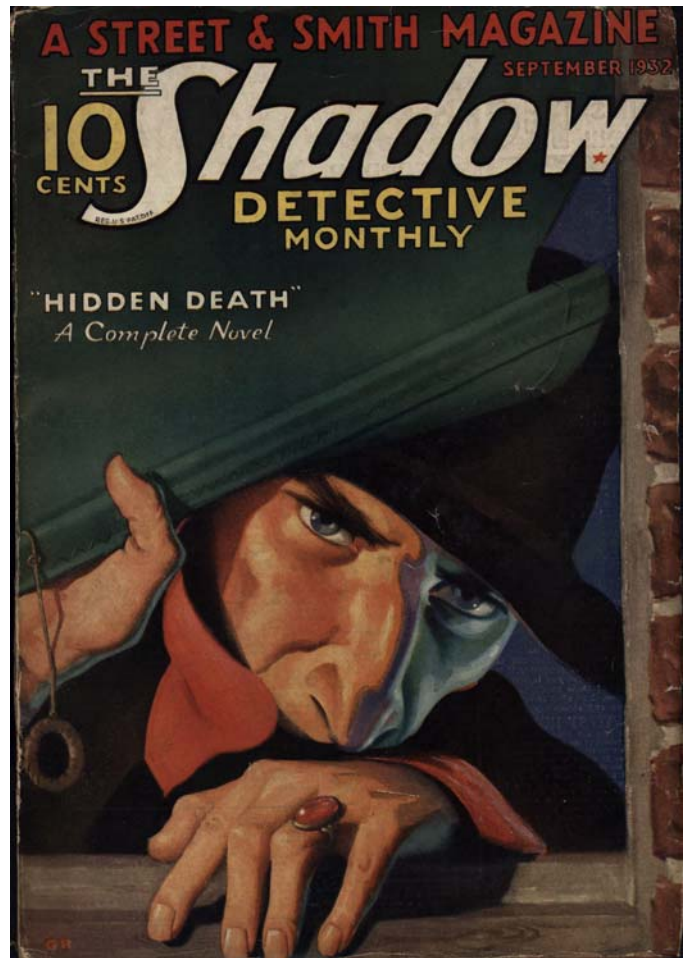

SATURDAY NIGHT AUCTION – APRIL 26, 2014

SPECIAL SHADOW AUCTION

The following material will be sold at the Saturday night auction, starting at approximately 8:15 p.m. Following the auction of this material, we will have a short break and then resume with our usual Saturday night auction, for which we'll have a separate info sheet available just before the auction.

This auction consists of a major collection of Shadow pulps, digests and related material. Nearly 200 pulps and digests are represented in the collection. The consignor collected this material over the past 40 years, including at some early Pulpcons. Now, unfortunately, health issues have caused him to sell this material to help pay for some medical bills.

The material will be available for inspection Saturday afternoon for several hours in Grand Ballroom C. The convention has not graded these items (although we have tried to note missing or detached covers and pages [nfc = no front cover & nbc = no back cover]) and encourages all bidders to review their condition before placing bids, as all sales are final. Note that most of the 1930's issues are trimmed, while many of the 1940's issues appear to be in tremendous condition. There will be a buyer's premium of 10% added to the amount of each winning bid. We can take payment by cash, check, credit card or paypal, but credit card and paypal will have a 5% surcharge. Additional auction rules are available separately.
